

K-Love is the only radio station I listen to daily. It is so encouraging for me and gets me through every day. If K-Love was displaced by an LPFM broadcaster providing other programming, I would be crushed. K-Love is the only station that plays ALL positive music which is what gives me a great uplifting throughout my day. I believe the community is greatly effected in a good way for those who listen to K-Love and all new members discovering the station as I did over 1 year ago. It brings only great and positive things to the radio listeners.

Thank you! Becky :-)
